

## **Head of Manufacturing Operations – Vienna, Austria Based**

**Date posted:** January 9, 2019

**Location:** Vienna, Austria

### **About HOOKIPA**

HOOKIPA Pharma Inc. is a clinical stage biopharmaceutical company developing a new class of immunotherapeutics targeting infectious diseases and cancers based on its proprietary arenavirus platform that is designed to reprogram the body's immune system.

### **Position Summary**

We are searching for an experienced and self-motivated Head of Manufacturing Operations to develop and manage the implementation of HOOKIPA's manufacturing strategy.

### **Main Responsibilities**

- Develop and implement HOOKIPA's manufacturing strategy, including:
  - Develop business case for strategic investments
  - Lead global evaluation of potential internal manufacturing site locations
  - Oversee cross-functional effort of designing, constructing and commissioning GMP manufacturing facility
  - Develop plans to initiate internal manufacturing operations within newly constructed facility
  - Foster a culture of compliance and strong environmental, health and safety performance
  - Foster high performance team development

### **Qualifications & Experience**

- PhD or MS in a relevant field of study
- Minimum 15 years manufacturing operations experience in biotech or pharma
- Documented experience as a leader/manager in a GMP environment required, with experience of managing cross-functional teams in design and construction of facilities

### **Competencies**

- Strong sense of commitment and ownership
- Strong interpersonal and problem-solving skills
- Demonstrated strategic thinking
- Effective and efficient operational management style

### **What we offer**

- Competitive compensation packages
- Excellent working atmosphere
- Opportunities for personal development
- A multinational and multicultural environment with dedicated and passionate colleagues

Minimum yearly gross salary from EUR 80,000 when based in Austria. Depending on experience, qualification, and US location, salary can be higher. Starting date: As soon as possible.
