

VP Manufacturing Science & Technology

Date posted: March 15, 2019

Location: Vienna, Austria or New York, NY

About HOOKIPA:

HOOKIPA Pharma Inc. is a clinical stage biopharmaceutical company developing a new class of immunotherapeutics, targeting infectious diseases and cancers based on its proprietary arenavirus platform that is designed to reprogram the body's immune system.

Position Summary:

We are searching for an experienced and self-motivated Vice President of Manufacturing Science & Technology to develop and manage the implementation of HOOKIPA's manufacturing strategy.

Main Responsibilities:

- Develop and implement HOOKIPA Pharma's manufacturing strategy
 - Comprehensively analyze strategic manufacturing options based on HOOKIPA's strategic development and commercialization plans, including make or buy decisions (fee-for-service, renting fixed capacity, and fully owned and operated facilities)
 - Analyze impact of the above decisions on cash requirements, fundability, cost of goods in the context of HOOKIPA's longer term capacity needs
 - Bring to decision by senior management the execution plan for a manufacturing strategy to fulfill HOOKIPA's quality and capacity requirements
- Develop business case for strategic investment into commercial manufacturing infrastructure
 - Geographical manufacturing site selection
 - Lead scale-up and technical transfer processes through development and product life-cycle
 - Management of the implementation phase
- Foster a culture of compliance and strong environmental, health and safety performance
 - Foster high performance team development
 - Work closely with QA/QC

Qualifications & Experience:

- PhD or MS in a relevant field of study
- Minimum 10 years of biological manufacturing experience
- Documented experience as a leader/manager in a GMP environment required, with experience of managing cross-functional teams

Competencies:

- Strong sense of commitment and ownership
- Strong interpersonal and problem-solving skills
- Demonstrated strategic thinking
- Effective and efficient operational management style
- Decision maker
- "Can do" attitude

**What we offer**

- Competitive compensation packages
- Excellent working atmosphere
- Opportunities for personal development
- A multinational and multicultural environment with dedicated and passionate colleagues

Annual minimum full-time salary of EUR 100.000,- (when based in Austria) excluding bonus; depending on experience and qualification salary can be negotiated. Starting date: As soon as possible
