

## **(Junior) Laboratory Technician – Analytical Development**

**Date posted:** October 16, 2019

**Location:** Vienna, Austria

### **About HOOKIPA:**

HOOKIPA Pharma Inc. (NASDAQ: HOOK) is a clinical stage biopharmaceutical company developing a new class of immunotherapeutics, targeting infectious diseases and cancers based on its proprietary arenavirus platform that is designed to reprogram the body's immune system.

### **Position Summary:**

We are looking for a highly motivated (Junior) Lab Technician (m/f) to join our team. The main focus of the Analytical Development department is to develop and perform assays for testing and characterization of our products. This position is primarily laboratory based.

### **Main Responsibilities:**

- Mastering of routine assays with high sample throughput
- Data analysis and evaluation, monitoring of assay performance (trending), troubleshooting
- Preparation and review of relevant documentation for all work processes according to GMP standards
- Development, optimization and performance of analytical assays (e.g. FFU, virus titer determination by chromogenic/immunofluorescence focus formation assay, RT-qPCR, flow cytometry, ELISA) under BSL-2 conditions to support development of vaccine products
- Maintenance of laboratory equipment

### **Qualifications:**

- MTA, BTA, Dipl. Ing. (FH) or B.Sc. in relevant field (e.g. Biology, Microbiology, Biotechnology)
- Experience working in biopharmaceutical or biotechnology industry is of advantage
- Experience with immunological, virological or molecular biological techniques
- Experience with Quality systems (e.g. GMP; GLP) is an advantage
- Independent, well-organized and proactive work style
- Open-minded and communicative team-player
- Able to multi-task and work under time pressure on multiple projects
- Fluent in written and oral English and German

### **What we offer:**

- Strong international team with dedicated and passionate scientists and technicians
- State of the art infrastructure
- Excellent working atmosphere
- Opportunities for personal development
- Working in a multinational and multicultural environment

We are required by Austrian law to post a minimum salary. The minimum monthly gross salary for this position is EUR 2.246,- (Junior Lab Technician) or EUR 2.429,- (Lab Technician) based on fulltime (40 hours per week); depending on experience and qualification salary can be negotiated. In addition, we offer a performance-related bonus payment and participation in our stock option compensation program.

Starting date: January 2020

**Contact:**

If you (m/f) are interested in this challenging position, please send your CV including cover letter and credentials to: **talent@hookipapharma.com**
