

## **Senior Scientist, Formulation (m/f) Process Development**

**Date posted:** July 1, 2020

**Location:** Vienna, Austria

### **About HOOKIPA:**

HOOKIPA Pharma Inc. (NASDAQ: HOOK) is a clinical stage biopharmaceutical company developing a new class of immunotherapeutics, targeting infectious diseases and cancers based on its proprietary arenavirus platform that is designed to reprogram the body's immune system.

### **Position Summary:**

We are searching for a highly motivated, enthusiastic Formulation Scientist to work independently as part of the Downstream Processing department for a permanent full-time position.

### **Main Responsibilities:**

- Develop strategies to improve viral vector stability and process-ability
- Build a formulation development unit (organization, skills and lab capabilities)
- Build and lead cooperation with external formulation development labs (industry & academia)
- Build knowhow on biophysical product characterization, in particular with regard to unique properties of viral vectors
- Implement characterization analytics for process characterization tasks as well as formulation development tasks
- Take responsibility for lab related duties, such as lab organization, material flow, ordering, decontamination, etc.
- Collect analytical data and compile data overviews, presentations and reports
- Design accurate documentation protocols and follow documentation according to GDP

### **Qualifications & Skills:**

- PhD degree with at least 2-3 years of work experience within Formulation Development of Biologicals or related fields
- Profound knowledge in formulation development and excipient screening (preferred by QbD)
- Expertise in biophysical product characterization desired (DLS, NTA, FFF, mFF, etc.)
- Knowhow in viral vector manufacturing will be a plus
- Ability to work independently, accurate GMP like documentation obligatory

### **What we offer:**

- Strong team with dedicated and passionate researchers
- State of the art infrastructure
- An excellent working atmosphere
- Opportunities for personal development
- Working in a multinational and multicultural environment

We are required by Austrian law to post a minimum salary. The minimum monthly gross salary for this position is EUR 4.563,- based on fulltime (40 hours per week); depending on

experience and qualification salary can be negotiated. In addition, we offer a performance-related bonus payment and participation in our stock option compensation program.

Starting date: as soon as possible

**Contact:**

If you (m/f) are interested in this challenging position, please send your CV including a cover letter summarizing your qualification and experiences to: **talent@hookipapharma.com**
